

SWC-W84S907

Enclosed subwoofer box for MB Sprinter 907

Vehicles

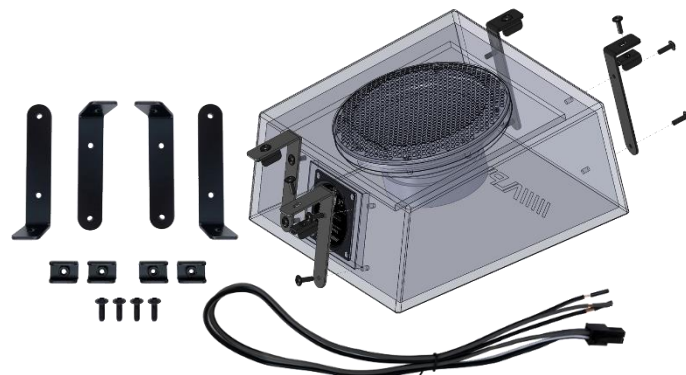

Mercedes-Benz Sprinter* Series 907/910 (VS30) 2018 →

Designed for Mercedes-Benz Sprinter 907/910

The perfect extension to the Alpine Adventure Audio front speaker system in the Mercedes-Benz Sprinter 907/910 is the matching subwoofer SWC-W84S907 for a powerful bass. The 180 Watt subwoofer comes pre-installed in a sealed, custom-fit wooden enclosure for installation under the passenger seat to add powerful bass to your existing sound system.

The Woofer- & DSP Amplifier Concept for Mercedes Sprinter

The addition of a subwoofer housing completes the Alpine Adventure Audio sound upgrade for the Mercedes-Benz Sprinter 907. With this separately available subwoofer housing in an enclosure design, we offer the possibility of flexibly designing the bass upgrade in your Mercedes-Benz Sprinter 907. Whether you want to continue using an existing amplifier for this subwoofer or add a new Alpine amplifier - here you remain completely flexible in your choice. This system for the Mercedes-Benz Sprinter 907 perfectly combines "form and function": Enjoy audiophile sound quality with Alpine Adventure Audio.
